No subscription. No inflated promises.

TRY THIS

Your 10-second micro-start

You do not need to feel ready. Just make the next moment slightly easier to enter.

1**DROP**

Let your shoulders soften.

2**FEEL**

Notice one point of support.

3**NAME**

Say one visible action you can begin.

Complete this sentence:**For the next three minutes, I will...**

Then begin before your mind renegotiates the task.
